G5 C  
I'm stranded along the way,  
Bm7 C D  
lost for another day.

Bm7 Am7 D G5 Gmaj7 C Am7 D  
I'm alone, on my own, and so far from home.

**Verse 2**

Those old hard times are long gone,  
I can see when I look around.  
But still it's hard to see sometimes,  
When those memories come back to me in rhymes.  
I'm alone, on my own, and so far from home.

**Chorus**

C D G5 C D  
We're just traveling waves, out on the world's highways.  
C D G5 C Am7 D Repeat Intro Chords  
We're just traveling waves, gone tomorrow, here today.

**Verse 3 followed by Chorus**

The past is gone, I must leave somehow,  
The present holds the promise now.  
But some parts of my past are so strong,  
Sometimes it seems I can't move (go) on.  
I'm alone, on my own, and so far from home.
