

Do You See?
Copyright 2012 Steve Watkins

Key of D **Intro Dsus4, Dsus2, D ..., A, G**

Verse 1

G A D A
Do you see, what I see?
G A A D
And wonder how the world goes on?
G A D A
Seems so crazy, must be madness.
G A A Bm A G
Is there order far below? (2nd time: There is order far below). Do you see?

Chorus 1

Bm A Em D Bm A Em D
People hungry, people not free. Everywhere, in every country.
Bm A Em D Bm A Em D
Revolution, evolution. Ten thousand years might bring solutions.
(There are no, easy solutions.)

Verse 2

Do you hear, what I hear?
And wonder when it goes wrong?
When you try to say what's on your mind.
And it gets lost in all the noise? Do you hear?

Chorus 2

What is truth and what is fiction? I can't tell you anymore.
Spin doctors spinning webs of deception. Talk about peace, then go to war.

Verse 3

Similar to Verse 1 but with "There is order far below."

Chorus 3

(Green) forests burning, (blue) oceans turning,
black oil floating, we're not learning.
Wall Street crooks and corporate gangsters, calling on Superman, no one answers.
